

3. Transfer amount (Check and complete **Section 3A** or **3B.**)

Fifth Third 529 CDs—If you are transferring from a CD, it is by definition not yet mature. Mature CDs are systematically redeemed at maturity and the redemption value placed in a Fifth Third 529 Savings Account, which was established for you when the CD was opened. When a CD is transferred to another investment option, the CD is liquidated, and any applicable early redemption penalty is applied.

CD Early Withdrawal Penalty—If you redeem a 3- to 11- month CD before at least half that stated term is over, or a 12- to 144-month CD before at least a third of the term is over, you may lose all the interest accrued and possibly part of your principal. Maturity date must be within 30 days of the Ohio Tuition Trust Authority's receipt of this form and cannot cross calendar years (i.e., withdrawal request received December 20, maturity date January 4). If maturity date is more than 30 days away, or maturity date occurs in the next calendar year, CD will be liquidated upon receipt of this form, and any applicable early redemption penalty will be applied to the redemption.

CD Partial Transfer—If you redeem a CD and only request that part of the redemption value be transferred to a different investment option, the remaining balance from the redemption will be placed in your Fifth Third 529 Savings Account.
