- Once you complete **Section 2A** and/or **2B** please proceed to **Section 3** and indicate where you would like the assets invested.

### A. Certificate of Deposit(s) Exchange Out Instructions

**Exchanging Out of a Fifth Third Certificate of Deposit.** If you are exchanging from a CD, it is by definition not yet mature. Mature CDs are systematically redeemed at maturity and that redemption value placed in your Fifth Third 529 Savings Account, which was established for you when the CD was opened. When a CD is exchanged to another Investment Option, the CD is liquidated, and any applicable early redemption penalty is applied.

**CD Early Withdrawal Penalty.** If you redeem a 3- to 11- month CD before at least half that stated term is over, or a 12- to 144-month CD before at least a third of the term is over, you may lose all the interest accrued and possibly part of your principal. Maturity date must be within 30 days of the Ohio Tuition Trust Authority's receipt of this form and cannot cross calendar years (i.e. exchange request received December 20, maturity date January 4). If maturity date is more than 30 days away, or maturity date occurs in the next calendar year, CD will be liquidated upon receipt of this form, and any applicable early redemption penalty will be applied to the redemption amount.

**Since you are requesting an exchange of a Fifth Third 529 Certificate of Deposit that has not yet matured, we need your instructions as to how to proceed.**

- Process with early redemption penalty.**
- Hold and process at maturity.** Maturity date must be within 30 days of the Ohio Tuition Trust Authority's receipt of this form and cannot cross calendar year (i.e. exchange request received December 20, maturity date January 4). If the maturity date is more than 30 days away or maturity date occurs in the next calendar year, CD will be liquidated upon receipt of this form, and any applicable early redemption penalty will be applied to the redemption.

**Note:** If you select to exchange out of a CD and invest only a portion of the proceeds, in another Investment Option(s) the remaining value will be automatically invested into the Fifth Third 529 Savings Account.
