## You can save for college through Ohio's 529 Plan

We've partnered with Ohio's 529 Plan — CollegeAdvantage — to make it easy for you to save for whatever education comes after high school for your children, grandchildren, or even yourself. For as little as \$25, you can save for your loved one's future higher education. You can even save for your own training and career development.

### Want to know more?

A CollegeAdvantage representative will be here to provide information and answer questions.
