COLLEGEADVANTAGE IS OHIO 529!

Maybe you're the parent of a newborn or a kindergartener and their college and career training seems far away. Or maybe you have middle schoolers and you're saving for them in a taxable account, missing out on the benefits of a tax-free 529 plan. Maybe your future college student is already in high school and you think it's too late to save. Or perhaps you're a grandparent who just wants to help. Whatever your situation, the thought of saving for your loved one's education can be overwhelming. But, relax. College and career training is doable, especially with Ohio 529, CollegeAdvantage.

Easy to start with as little as \$25

The most common advice from college savers is to "just start." By starting early, you'll have more time to save. However, it's never too late to begin. You can even consolidate other existing savings and get the tax advantages of CollegeAdvantage 529. It only takes \$25* to open an account.

** \$500 if you choose the 529 Bank CD option.*

Save in Ohio and go anywhere

The biggest myth is that Ohio 529 locks you into Ohio schools. Not true. Use your 529 funds at any accredited post-secondary school in Ohio and across the nation. This includes thousands of universities, colleges, trade or technical schools, and apprenticeships approved by the U.S. Labor Department. If a higher education institution has a Federal School Code at StudentAid.gov, you can use your Ohio 529 funds to pay for qualified expenses there.

For grandparents who want to help

Grandparents, family, and friends can help, too. They can open and manage their own account for a child or they can easily make gift contributions to your existing account. Loved ones who make gift contributions directly to a CollegeAdvantage account and are Ohio taxpayers may also take the Ohio state income tax deduction.

WHAT CAN YOU PAY WITH OHIO 529?

Since 1989, families have used CollegeAdvantage to pay a myriad of college costs. You can make a tax-free withdrawal from your Ohio 529 account to cover:

- tuition.
- room and board when enrolled for at least half of the full-time academic workload. Room and board costs can also include off-campus residency and non-taxable groceries.
- mandatory fees.
- computer equipment and related technology as well as Internet services.
- books, supplies and equipment related to enrollment and class schedule.
- qualified apprenticeship costs such as fees, textbooks, supplies, and equipment like required trade tools.
- a child's K-12 tuition at a public, private, or parochial elementary or secondary school up to \$10,000 per child, per year.
- student loan payment for the 529 beneficiary or the beneficiary's siblings. Loan repayment provisions apply up to \$10,000 per individual.
- 529-to-Roth IRA rollovers. You can transfer tax-free and penalty-free any unused 529 funds to a Roth IRA for the same 529 beneficiary. There are requirements to use this new qualified distribution.
