

INVESTMENT OPTION CHOICES

Ohio's Direct 529 Plan is a lower-cost college-savings program that you set up and maintain yourself.

That's why Ohio's Direct 529 Plan offers options for savers of all experience levels and risk tolerances, including ready-made, age-based and ready-made, risk-based portfolios. Use our tools and calculators to determine your college savings goals and your risk tolerance to select the right asset allocation mix. If your goals and preferences change in the future, 529 rules allow you to exchange your investment options up to two times per year. If you prefer to work with a professional financial advisor, you may be interested instead in the Ohio's Advisor 529 Savings Plan, BlackRock CollegeAdvantage 529. Ask your financial advisor for more information.

Are you interested in ready-made investment portfolios?
